HIGH TECH PORCELAIN

COLLECTION BROCHURE

The collection

Forty8 is a porcelain collection featuring a 48"x48" size in an 8mm thickness, designed to bring a seamless, clean, and sophisticated feel to floors and walls. The collection has now expanded to include additional formats — 12"x24" and 24"x48" — available in select colors, allowing for creative mixing and matching across different layouts.

The color palette offers timeless, versatile looks, including classic white marbles, soft neutral stone visuals, warm earth-toned limestones, and deep, dramatic dark stone and marble styles. With its balanced range of neutral yet detailed designs, Forty8 is suited to enhance any space.
