INTRODUCING DESIGN YOUR SLAB

DESIGN YOUR SLAB is a revolutionary new hi-tech service that allows you to apply any image or illustration to large format porcelain slabs produced by **StonePeak**.

Make an impact with bold & daring works of art, or design walls that blend seamlessly into their surroundings — any commercial or residential wall space becomes your canvas.

— **CREATE FULLY CUSTOMIZED INTERIOR & EXTERIOR WALL APPLICATIONS ON DEMAND**

— **ENJOY ALL THE BENEFITS OFFERED BY PORCELAIN TILE**

— **OPTIMIZE USAGE WITH SIZES RANGING FROM 30"x15" TO 120"x60"**

— **NO MINIMUM QUANTITIES**

— **300 DPI MINIMUM RESOLUTION***

*Some applications may require higher resolution images.

APPLICATIONS & CHARACTERISTICS

More than just a creative tool, the DYS system offers groundbreaking innovation, and all the benefits of porcelain.

**DOESN'T ABSORB WATER • FROST RESISTANT • STAIN & CHEMICAL RESISTANT
HEAT RESISTANT • COLOR RESISTANT AGAINST UV RAYS • EASY-TO-CLEAN**

DYS can be applied on any wall — hallways, showrooms, lobbies, hotel rooms and more. Our colors are long-lasting and don't fade with UV exposure or crack in freezing temperatures. The easy-to-clean surface ensures your creations will stay beautiful for years to come.

Cut your building's energy cost by up to 64%** by using DYS in conjunction with our engineered **VENTILATED FAÇADE SYSTEM**. The flexibility of DYS means there's no need to build a new structure, just mount over the existing wall structure to bring your ideas to life.

**Based on the NASA Energy Assessment Study on CHSPAR Building #26, Houston, TX. The ventilated façade system also satisfies the California Building Energy Code Article 21.

Our highly trained team will make your vision a reality. Our lab experts will work one-on-one with you every step of the way to ensure you are 100% satisfied with your final product.
