

Boardwalk

STONEPEAK
HIGH TECH PORCELAIN

COLLECTION BROCHURE

The collection

The Boardwalk series is a collection that evokes the classic seaside destinations to which Americans have aspired for over 100 years.

Painstakingly designed to emulate the weathered hardwood planks found in some of America's most unique architectural destinations, Boardwalk features fully rectified porcelain solutions in a full 48" length – a size never before manufactured in the USA, offering amazing graphics and limitless design possibilities.
