

STONEPEAK
HIGH TECH PORCELAIN

COLLECTION BROCHURE

The collection

The Meritage series introduces a truly classic and noble stone look for the ages that merges nature's wonders with human artistry.

The stone graphics featured in Meritage are sourced from the very finest European quarries, with unmatched depth and natural veining.

For that reason, these porcelain surfaces are offered in an incredibly rich polished finish, as well as a matte finish in the popular 12"x24" format.

This collection is perfectly suited for both residential and commercial settings including floors, walls, kitchens, backsplashes, bathrooms and more.
