

STONEPEAK
HIGH TECH PORCELAIN

COLLECTION BROCHURE

The collection

Discover beauty of a clastic rock composed of delicate fragments represented in this new US-made collection.

Klastos offers five natural colors ranging from a soft white to deep grey shade with illusion of clastic rocks formed from the cementation of these uniquely shaped fragments.

The Honed+ finish is distinctly rich to the touch and non-reflective, creating an exceptionally natural result. Its unique resistance to chemicals and stains combined with an impressive DCOF value balances ease of maintenance with slip resistance, and renders it perfect for both indoor and outdoor applications.
