HIGH TECH PORCELAIN

COLLECTION BROCHURE

The collection

Through its three signature colors – Glow, Dust and Shade – the color palette of Stellalith mirrors the moon's serene hues to evoke the elegance of lunar nights.

Whether in residential interiors, boutique hotels, or contemporary offices, Stellalith radiates understated luxury.

The collection is available in sizes 12"x24", 24"x24" and 24"x48", and in two finishes: Semi-polished, a striking satin look and the innovative Natural Plus which combines exceptionally high anti-slip properties with a non-reflective look, making Stellalith the perfect choice for both indoor and outdoor spaces.
