

**Venatura**

**STONEPEAK**  
HIGH TECH PORCELAIN

**COLLECTION BROCHURE**

## The collection

Venatura is a porcelain replica of a modern wood-look in extra-large planks.

The collection's versatile color palette includes five stylish hues with a cleaner grain to attain a more subtle variation.

Venatura combines the warmth of the wood with an upscale contemporary feel, while its longer, wider planks make any room look larger and more open.
