## GREENGUARD Certifications

Stonepeak Ceramics U.S.-made portfolio is **UL GREENGUARD Certified**, demonstrating compliance with chemical emission standards, showcasing our commitment to healthier indoor environments.

To access Stonepeak Ceramics GREENGUARD Certificates, please follow the below instructions:

1. Navigate to the official UL SPOT database at <https://spot.ul.com/main-page/>
2. Login to your account or register for a new account
3. Visit the Products Catalog (<https://spot.ul.com/main-app/products/catalog/>)
4. Select "Stonepeak Ceramics" under the "Manufacturer / Brands" filter
5. Click on the name of your desired Stonepeak collection
6. Underneath "Certifications And Declarations", select the Certification needed and download the PDF by clicking "View"
