STONEPEAK
HIGH TECH PORCELAIN

COLLECTION BROCHURE

The collection

Classic Boutique is inspired by Italy's rich architectural history, the country's famed grand villas, storied piazzas, and centuries of artisan craftsmanship — reimagining traditional Italian marbles through a contemporary lens.

True to its name, the line blends the familiarity of traditional marble-looks with the refined character of boutique-level design — high-end, curated, and beautifully tailored.

Carrying forward the legacy of the CLASSIC line, Classic Boutique expands the narrative with enhanced graphic precision and remarkable realism. Each 8mm U.S.-made tile captures the intricacies of natural marble — from delicate veining to tonal nuance — reflecting the refined detailing made possible through today's most advanced production technologies.
