HIGH TECH PORCELAIN

**COLLECTION BROCHURE**

## The collection

Forty8 is a porcelain collection featuring a 48"x48" size in an 8mm thickness, designed to bring a seamless, clean, and sophisticated feel to floors and walls. The collection has now expanded to include additional formats—12"x24" and 24"x48"—available in select colors, allowing for creative mixing and matching across different layouts.

The color palette offers timeless, versatile looks, including classic white marbles, soft neutral stone visuals, warm earth-toned limestones, and deep, dramatic dark stone and marble styles. With its balanced range of neutral yet detailed designs, Forty8 is suited to enhance any space.
